Summary of Utilization Review Procedures

MetLife reviews claims for evidence of need for certain dental procedures. These reviews are conducted by licensed dentists. If there is no evidence of need MetLife will deny benefits for a claim. MetLife also reviews claims to determine whether there exists a less costly treatment for a dental condition that is generally considered effective to treat the condition. If a less costly alternative treatment exists, MetLife will determine benefits based on the alternative treatment. If you want to determine the status of any such claim review, you can call MetLife at 1-800-942-0854.

Summary of Quality Assurance Programs

MetLife performs a check on certain credentials of any dentist applying to participate in MetLife's Participating Dentist Program (PDP). If the credentials do not meet MetLife's standards, for example if a dentist does not have a valid license, the dentist will not be permitted to participate in the PDP. MetLife does not interfere with the traditional relationship between PDP dentists and their patients, or any determination between the patient and dentist as to what the appropriate dental treatment may be. MetLife dental plans also allow you to choose between any dentist, whether they participate in the PDP or not. Therefore you should choose your dentist carefully, and you are responsible to be sure that your dentist delivers quality dental care.

Involuntary Disenrollment Rate

The involuntary disenrollment rate among insureds of MetLife is 0.

DEFINITIONS

As used in this certificate, the terms listed below will have the meanings set forth below. When defined terms are used in this certificate, they will appear with initial capitalization. The plural use of a term defined in the singular will share the same meaning.

Cast Restoration means an inlay, onlay, or crown.

Certificateholder means a Student of the Policyholder who is a Covered Person or has a Dependent who is a Covered Person. Unless otherwise specified, a Certificateholder is entitled to exercise the rights and benefits granted under this certificate.

Child means the following:

Your natural or adopted child; Your stepchild (including the child of a Domestic Partner); or a child who resides with and is fully supported by You; and who, in each case, is under age 26 and unmarried.

An adopted child includes a child placed in Your physical custody for purpose of adoption. If prior to completion of the legal adoption the child is removed from Your custody, the child's status as an adopted child will end.

If You provide Us notice, a Child also includes a child for whom You must provide Dental Insurance due to a Qualified Medical Child Support Order as defined in the United States Employee Retirement Income Security Act of 1974 as amended.

The term includes a Student's Child who is incapable of self-sustaining employment because of a mental or physical disability as defined by applicable law, and has been so disabled continuously since a date before the Child reached the limiting age and who otherwise qualifies as a Child except for the age limit.

For the purposes of determining who may become covered for insurance, the term does not include any person who:

- is on active duty in the military of any country or international authority; however, active duty for this purpose does not include weekend or summer training for the reserve forces of the United States, including the National Guard; or
- is insured under the Group Policy as a Student.

Contributory Insurance means insurance for which the Policyholder requires You to pay any part of the premium.

Contributory Insurance includes: Dental Insurance.

Covered Percentage means:

- for a Covered Service performed by an In-Network Dentist, the percentage of the Maximum Allowed Charge that We will pay for such services after any required Deductible is satisfied; and
- for a Covered Service performed by an Out-of-Network Dentist, the percentage of the Reasonable and Customary Charge that We will pay for such services after any required Deductible is satisfied.

Covered Service means a dental service used to treat Your or Your Dependent's dental condition which is:

- prescribed or performed by a Dentist while such person is insured for Dental Insurance;
- Dentally Necessary to treat the condition; and
- described in the SCHEDULE OF BENEFITS or DENTAL INSURANCE sections of this certificate.

Deductible means the amount You or Your Dependents must pay before We will pay for Covered Services.

DEFINITIONS (continued)

Dental Hygienist means a person trained to:

- remove calcareous deposits and stains from the surfaces of teeth; and
- provide information on the prevention of oral disease.

Dentally Necessary means that a dental service or treatment is performed in accordance with generally accepted dental standards as determined by Us and is:

- necessary to treat decay, disease or injury of the teeth; or
- essential for the care of the teeth and supporting tissues of the teeth.

Dentist means:

- a person licensed to practice dentistry in the jurisdiction where such services are performed; or
- any other person whose services, according to applicable law, must be treated as Dentist's services for purposes of the Group Policy. Each such person must be licensed in the jurisdiction where the service is performed and must act within the scope of that license. The person must also be certified and/or registered if required by such jurisdiction.

For purposes of Dental Insurance, the term will include a Physician who performs a Covered Service.

Dentures means fixed partial dentures (bridgework), removable partial dentures and removable full dentures.

Dependent(s) means Your Spouse and/or Child.

Domestic Partner means each of two people, one of whom is a Student of the Policyholder, who:

- have registered as each other's domestic partner, civil union partner or reciprocal beneficiary with a government agency where such registration is available; or
- are of the same or opposite sex and have a mutually dependent relationship so that each has an insurable interest in the life of the other. Each person must be:
 1. 18 years of age or older;
 2. unmarried;
 3. the sole domestic partner of the other;
 4. sharing a primary residence with the other; and
 5. not related to the other in a manner that would bar their marriage in the jurisdiction in which they reside.

A Domestic Partner declaration attesting to the existence of an insurable interest in one another's lives must be completed and Signed by the Student.

Emergency Dental Condition means a dental condition the onset of which is sudden, that manifests itself by symptoms of sufficient severity, including, but not limited to, bleeding, swelling or severe pain, that a prudent layperson, possessing an average knowledge of dentistry and health, could reasonably expect the absence of immediate dental attention to result in:

- placing the health of the person afflicted with such condition in serious jeopardy;
- serious impairment to such person's bodily functions;
- serious impairment or dysfunction of any bodily organ or part of such person; or
- serious disfigurement of such person.

If You cannot reasonably reach an In-Network Dentist, payment for services will be made in the same manner as if You had been treated by a In-Network Dentist. For most purposes, Benefits for Emergency Services are considered as In-Network Benefits subject to the In-Network Copay and all In-Network Maximum Amounts. As with all other services provided by an Out-of-Network Dentist, the amount of covered charges will be based on the Reasonable and Customary Charge. However, unlike with an In-Network Dentist, there is no agreement between an Out-of-Network Dentist and Us for the Dentist to limit what is being charged to You for the Emergency Services.

DEFINITIONS (continued)

In-Network Dentist means a Dentist who participates in the Preferred Dentist Program and has a contractual agreement with Us to accept the Maximum Allowed Charge as payment in full for a dental service.

Maximum Allowed Charge means the lesser of:

- the amount charged by the Dentist; or
- the maximum amount which the In-Network Dentist has agreed with Us to accept as payment in full for the dental service.

Out-of-Network Dentist means a Dentist who does not participate in the Preferred Dentist Program.

Physician means:

- a person licensed to practice medicine in the jurisdiction where such services are performed; or
- any other person whose services, according to applicable law, must be treated as Physician's services for purposes of the Group Policy. Each such person must be licensed in the jurisdiction where the service is performed and must act within the scope of that license. Such person must also be certified and/or registered if required by such jurisdiction.

Proof means Written evidence satisfactory to Us that a person has satisfied the conditions and requirements for any benefit described in this certificate. When a claim is made for any benefit described in this certificate, Proof must establish:

- the nature and extent of the loss or condition;
- Our obligation to pay the claim; and
- the claimant's right to receive payment.

Proof must be provided at the claimant's expense.

Reasonable and Customary Charge is the lowest of:

- the Dentist's actual charge for the services or supplies (or, if the provider of the service or supplies is not a Dentist, such other provider's actual charge for the services or supplies) (the 'Actual Charge'); or
- the usual charge by the Dentist or other provider of the services or supplies for the same or similar services or supplies (the 'Usual Charge'); or
- the usual charge of other Dentists or other providers in the same geographic area equal to the 51st percentile of charges as determined by MetLife based on charge information for the same or similar services or supplies maintained in MetLife's Reasonable and Customary Charge records (the 'Customary Charge'). Where MetLife determines that there is inadequate charge information maintained in MetLife's Reasonable and Customary Charge records for the geographic area in question, the Customary Charge will be determined based on actuarially sound principles.

An example of how the 51st percentile is calculated is to assume one hundred (100) charges for the same service are contained in MetLife's Reasonable and Customary charge records. These one hundred (100) charges would be sorted from lowest to highest charged amount and numbered 1 through 100. The 51st percentile of charges is the charge that is equal to the charge numbered 51.

Signed means any symbol or method executed or adopted by a person with the present intention to authenticate a record, which is on or transmitted by paper or electronic media which is acceptable to Us and consistent with applicable law.

DEFINITIONS (continued)

Spouse means Your lawful spouse. Wherever the term "Spouse" appears in the certificate it shall, unless otherwise specified, be read to include Your Domestic Partner.

For the purposes of determining who may become covered for insurance, the term does not include any person who:

- is on active duty in the military of any country or international authority. However, active duty for this purpose does not include weekend or summer training for the reserve forces of the United States, including the National Guard; or
- is insured under the Group Policy as a Student.

Student means a student enrolled at the Boston University who is eligible for the insurance described in this certificate.

We, Us and **Our** mean MetLife.

Written or **Writing** means a record which is on or transmitted by paper or electronic media which is acceptable to Us and consistent with applicable law.

Year or **Yearly**, for Dental Insurance, means the 12 month period that begins August 1.

You and **Your** mean a Student who is insured under the Group Policy for the insurance described in this certificate.

CONTINUATION OF INSURANCE WITH PREMIUM PAYMENT

FOR MENTALLY OR PHYSICALLY DISABLED CHILDREN

Insurance for a Dependent Child may be continued past the age limit if the child is incapable of self-sustaining employment because of a mental or physical disability as defined by applicable law. Proof of such disability must be sent to Us within 31 days after the date the Child attains the age limit and at reasonable intervals after such date.

Subject to the DATE YOUR INSURANCE FOR YOUR DEPENDENTS ENDS subsection of the section entitled ELIGIBILITY PROVISIONS: INSURANCE FOR YOUR DEPENDENTS, insurance will continue while such Child:

- remains incapable of self-sustaining employment because of a mental or physical disability; and
- continues to qualify as a Child, except for the age limit.

CONTINUATION OF DENTAL INSURANCE FOR YOUR FORMER SPOUSE

If the judgment of divorce dissolving Your marriage provides for continuation of insurance for Your former Spouse when You remarry, Dental Insurance for Your former Spouse that would otherwise end may be continued.

To continue Dental insurance under this provision:

1. You must make a written request to the Policyholder to continue such insurance;
2. You must make any required premium to the Policyholder for the cost of such insurance.

The request form will be furnished by the Policyholder.

Such insurance may be continued from the date Your marriage is dissolved until the earliest of the following:

- the date Your former Spouse remarries;
- the date of expiration of the period of time specified in the divorce judgment during which You are required to provide Dental Insurance for Your former Spouse;
- the date coverage is provided under any other group health plan;
- the date Your former Spouse becomes entitled to Medicare;
- the date Dental Insurance under the policy ends for all Students, or for the class of Students to which You belonged;
- the date of expiration of the last period for which the required premium payment was made; or
- the date such insurance would otherwise terminate under the policy;

If Your former Spouse is eligible to continue Dental Insurance under this provision and any other provision of this Policy, all such continuation periods will be deemed to run concurrently with each other and shall not be deemed to run consecutively.

DENTAL INSURANCE

If You or a Dependent incur a charge for a Covered Service, Proof of such service must be sent to Us. When We receive such Proof, We will review the claim and if We approve it, will pay the insurance in effect on the date that service was completed.

This Dental Insurance gives You access to Dentists through the MetLife Preferred Dentist Program (PDP). Dentists participating in the PDP have agreed to limit their charge for a dental service to the Maximum Allowed Charge for such service. Under the PDP, We pay benefits for Covered Services performed by either In-Network Dentists or Out-of-Network Dentists. However, You may be able to reduce Your out-of-pocket costs by using an In-Network Dentist because Out-of-Network Dentists have not entered into an agreement with Us to limit their charges. You are always free to receive services from any Dentist. You do not need any authorization from Us to choose a Dentist.

The PDP does not provide dental services. Whether or not benefits are available for a particular service, does not mean You should or should not receive the service. You and Your Dentist have the right and are responsible at all times for choosing the course of treatment and services to be performed. After services have been performed, We will determine the extent to which benefits, if any, are payable.

When requesting a Covered Service from an In-Network Dentist, We recommend that You:

- identify Yourself as an insured in the Preferred Dentist Program; and
- confirm that the Dentist is currently an In-Network Dentist at the time that the Covered Service is performed.

The amount of the benefit will not be affected by whether or not You identify Yourself as a member in the Preferred Dentist Program.

You can obtain a customized listing of MetLife's In-Network Dentists either by calling 1-800-438-6388 or by visiting Our website at www.metlife.com/dental.

BENEFIT AMOUNTS

We will pay benefits in an amount equal to the Covered Percentage for charges incurred by You or a Dependent for a Covered Service as shown in the SCHEDULE OF BENEFITS, subject to the conditions set forth in this certificate.

The Covered Percentage for Covered Services performed by an In-Network Dentist is higher than the Covered Percentage for Covered Services performed by an Out-of-Network Dentist.

In-Network

If a Covered Service is performed by an In-Network Dentist, We will base the benefit on the Covered Percentage of the Maximum Allowed Charge.

If an In-Network Dentist performs a Covered Service, You will be responsible for paying:

- the Deductible; and
- any other part of the Maximum Allowed Charge for which We do not pay benefits.

Out-of-Network

If a Covered Service is performed by an Out-of-Network Dentist, We will base the benefit on the Covered Percentage of the Reasonable and Customary Charge.

Out-of-Network Dentists may charge You more than the Reasonable and Customary Charge. If an Out-of-Network Dentist performs a Covered Service, You will be responsible for paying:

- the Deductible; and
- any other part of the Reasonable and Customary Charge for which We do not pay benefits; and
- any amount in excess of the Reasonable and Customary Charge charged by the Out-of-Network Dentist.

DENTAL INSURANCE (continued)

Emergency Dental Condition

Benefits for Covered Services performed by an Out-of-Network Dentist for Emergency Dental Conditions will be paid as if the Covered Service had been performed by an In-Network Dentist.

Maximum Benefit Amounts

The SCHEDULE OF BENEFITS sets forth Maximum Benefit Amounts We will pay for Covered Services received In-Network and Out-of-Network. We will never pay more than the greater of the In-Network Maximum Benefit Amount or the Out-of-Network Maximum Benefit Amount.

For example, if a Covered Service is received Out-of-Network and We pay \$300 in benefits for such service, \$300 will be applied toward both the In-Network and the Out-of-Network Maximum Benefit Amounts applicable to such service.

Deductibles

The Deductible amounts are shown in the SCHEDULE OF BENEFITS.

The Yearly Individual Deductible is the amount that You must pay for Covered Services to which such Deductible applies each Year before We will pay benefits for such Covered Services.

We apply amounts used to satisfy Yearly Individual Deductibles to the Yearly Family Deductible. Once the Yearly Family Deductible is satisfied, no further Yearly Individual Deductibles are required to be met.

The amount We apply toward satisfaction of a Deductible for a Covered Service is the amount We use to determine benefits for such service. The Deductible Amount will be applied based on when Dental claims for Covered Services are processed by Us. The Deductible Amount will be applied to Covered Services in the order that Dental claims for Covered Services are processed by Us regardless of when a Covered Service is "incurred". When several Covered Services are incurred on the same date and Dental benefits are claimed as part of the same claim, the Deductible Amount is applied based on the Covered Percentage applicable to each Covered Service. The Deductible Amount will be applied in the order of highest Covered Percentage to lowest Covered Percentage.

Alternate Benefit

If We determine that a service, less costly than the Covered Service the Dentist performed, could have been performed to treat a dental condition, We will pay benefits based upon the less costly service if such service:

- would produce a professionally acceptable result under generally accepted dental standards; and
- would qualify as a Covered Service.

For example:

- when an amalgam filling and a composite filling are both professionally acceptable methods for filling a molar, We may base Our benefit determination upon the amalgam filling which is the less costly service;
- when a filling and an inlay are both professionally acceptable methods for treating tooth decay or breakdown, We may base Our benefit determination upon the filling which is the less costly service;
- when a filling and a crown are both professionally acceptable methods for treating tooth decay or breakdown, We may base Our benefit determination upon the filling which is the less costly service; and
- when a partial denture and fixed bridgework are both professionally acceptable methods for replacing multiple missing teeth in an arch, We may base Our benefit determination upon the partial denture which is the less costly service.

If We pay benefits based upon a less costly service in accordance with this subsection, the Dentist may charge You or Your Dependent for the difference between the service that was performed and the less costly service. This is the case even if the service is performed by an In-Network Dentist.

DENTAL INSURANCE (continued)

Certain comprehensive dental services have multiple steps associated with them. These steps can be completed at one time or during multiple sessions. For benefit purposes under this certificate, these separate steps of one service are considered to be part of the more comprehensive service. Even if the dentist submits separate bills, the total benefit payable for all related charges will be limited by the maximum benefit payable for the more comprehensive service. For example, root canal therapy includes x-rays, opening of the pulp chamber, additional x-rays, and filling of the chamber. Although these services may be performed in multiple sessions, they all constitute root canal therapy. Therefore, We will only pay benefits for the root canal therapy.

Orthodontic Covered Services

Orthodontic treatment generally consists of initial placement of an appliance and periodic follow-up visits.

The benefit payable for the initial placement will not exceed 20% of the Lifetime Maximum Benefit Amount for Orthodontia in effect when the course of treatment begins.

The benefit payable for the periodic follow-up visits will also be based on the Lifetime Maximum Benefit Amount for Orthodontia in effect when the course of treatment begins. It will be payable on a quarterly basis during the course of the orthodontic treatment if:

- Dental Insurance is in effect for the person receiving the orthodontic treatment; and
- Proof is given to Us that the orthodontic treatment is continuing.

Benefits for Orthodontic Services Begun Prior to this Dental Insurance

If the initial placement was made prior to this Dental Insurance being in effect, the benefit payable will be reduced by the portion attributable to the initial placement.

If the periodic follow-up visits commenced prior to this Dental Insurance being in effect:

- the number of months for which benefits are payable will be reduced by the number of months of treatment performed before this Dental Insurance was in effect; and
- the total amount of the benefit payable for the periodic visits will be reduced proportionately.

Pretreatment Estimate of Benefits

If a planned dental service is expected to cost more than \$300, You have the option of requesting a pretreatment estimate of benefits. The Dentist should submit a claim detailing the services to be performed and the amount to be charged. After We receive this information, We will provide You with an estimate of the Dental Insurance benefits available for the service. The estimate is not a guarantee of the amount We will pay. Under the Alternate Benefit provision, benefits may be based on the cost of a service other than the service that You choose. You are required to submit Proof on or after the date the dental service is completed in order for Us to pay a benefit for such service.

The pretreatment estimate of benefits is only an estimate of benefits available for proposed dental services. You are not required to obtain a pretreatment estimate of benefits. As always, You or Your Dependent and the Dentist are responsible for choosing the services to be performed.

We will pay benefits for a 31 day period after Your insurance ends for the completion of installation of a Cast Restoration if:

- the Dentist prepared the tooth for the Cast Restoration before Your insurance ends; and
- the Cast Restoration is installed within 31 days after the date the insurance ends.

We will pay benefits for a 31 day period after Your insurance ends for completion of root canal therapy if:

- the Dentist opened into the pulp chamber before Your insurance ends; and
- the treatment is finished within 31 days after the date the insurance ends.

DENTAL INSURANCE: COORDINATION OF BENEFITS

When You or a Dependent incur charges for Covered Services, there may be other Plans, as defined below, that also provide benefits for those same charges. In that case, We may reduce what We pay based on what the other Plans pay. This Coordination of Benefits section explains how and when We do this.

DEFINITIONS

In this section, the terms set forth below have the following meanings:

Allowable Expense means a necessary dental expense for which both of the following are true:

- a covered person must pay it; and
- it is at least partly covered by one or more of the Plans that provide benefits to the covered person.

If a Plan provides fixed benefits for specified events or conditions (instead of benefits based on expenses incurred), such benefits are Allowable Expenses.

If a Plan provides benefits in the form of services, We treat the reasonable cash value of each service performed as both an Allowable Expense and a benefit paid by that Plan.

The term does not include:

- expenses for services performed because of a Job-Related Injury or Sickness;
- any amount of expenses in excess of the higher reasonable and customary fee for a service, if two or more Plans compute their benefit payments on the basis of reasonable and customary fees;
- any amount of expenses in excess of the higher negotiated fee for a service, if two or more Plans compute their benefit payments on the basis of negotiated fees; and
- any amount of benefits that a Primary Plan does not pay because the covered person fails to comply with the Primary Plan's managed care or utilization review provisions, these include provisions requiring:
 - second surgical opinions;
 - pre-certification of services;
 - use of providers in a Plan's network of providers; or
 - any other similar provisions.

We won't use this provision to refuse to pay benefits because an HMO member has elected to have dental services provided by a non-HMO provider and the HMO's contract does not require the HMO to pay for providing those services.

Claim Determination Period means a period that starts on any August 1 and ends on the day before the next August 1. A Claim Determination Period for any covered person will not include periods of time during which that person is not covered under This Plan.

Custodial Parent means a Parent awarded custody, other than joint custody, by a court decree. In the absence of a court decree, it means the Parent with whom the child resides more than half of the Year without regard to any temporary visitation.

HMO means a Health Maintenance Organization or Dental Health Maintenance Organization.

Job-Related Injury or Sickness means any injury or sickness:

- for which You are entitled to benefits under a workers' compensation or similar law, or any arrangement that provides for similar compensation; or
- arising out of employment for wage or profit.

Parent means a person who covers a child as a dependent under a Plan.

DENTAL INSURANCE: COORDINATION OF BENEFITS (continued)

Plan means any of the following, if it provides benefits or services for an Allowable Expense:

- a group insurance plan;
- an HMO;
- a blanket plan;
- uninsured arrangements of group or group type coverage;
- a group practice plan;
- a group service plan;
- a group prepayment plan;
- any other plan that covers people as a group;
- motor vehicle No Fault coverage if the coverage is required by law; and
- any other coverage required or provided by any law or any governmental program, except Medicaid.

The term does not include any of the following:

- individual or family insurance or subscriber contracts;
- individual or family coverage through closed panel Plans or other prepayment, group practice or individual practice Plans;
- hospital indemnity coverage;
- a school blanket plan that only provides accident-type coverage on a 24 hour basis, or a "to and from school basis," to students in a grammar school, high school or college;
- disability income protection coverage;
- accident only coverage;
- specified disease or specified accident coverage;
- nursing home or long term care coverage; or
- any government program or coverage if, by state or Federal law, its benefits are excess to those of any private insurance plan or other non-government plan.

The provisions of This Plan, which limit benefits based on benefits or services provided under plans which the Policyholder (or an affiliate) contributes to or sponsors will not be affected by these Coordination of Benefits provisions.

Each policy, contract or other arrangement for benefits is a separate Plan. If part of a Plan reserves the right to reduce what it pays based on benefits or services provided by other Plans, that part will be treated separately from any parts which do not.

This Plan means the dental benefits described in this certificate, except for any provisions in this certificate that limit insurance based on benefits for services provided under plans which the Policyholder (or an affiliate) contributes to or sponsors.

Primary Plan means a Plan that pays its benefits first under the "Rules to Decide Which Plan Is Primary" section. A Primary Plan pays benefits as if the Secondary Plans do not exist.

Secondary Plan means a Plan that is not a Primary Plan. A Secondary Plan may reduce its benefits by amounts payable by the Primary Plan. If there are more than two Plans that provide coverage, a Plan may be Primary to some plans, and Secondary to others.

DENTAL INSURANCE: COORDINATION OF BENEFITS (continued)

RULES TO DECIDE WHICH PLAN IS PRIMARY

When more than one Plan covers the person for whom Allowable Expenses were incurred, We determine which plan is primary by applying the rules in this section.

When there is a basis for claim under This Plan and another Plan, This Plan is Secondary unless:

- the other Plan has rules coordinating its benefits with those of This Plan; and
- this Plan is primary under This Plan's rules.

The first rule below, which will allow Us to determine which Plan is Primary, is the rule that We will use.

Dependent or Non-Dependent: A Plan that covers a person other than as a dependent (for example, as an employee, member, subscriber, or retiree) is Primary and shall pay its benefits before a Plan that covers the person as a dependent; except that if the person is a Medicare beneficiary and, as a result of federal law or regulations, Medicare is:

- Secondary to the Plan covering the person as a dependent; and
- Primary to the Plan covering the person as other than a dependent (e.g., a retired employee);

then the order of benefits between the two Plans is reversed and the Plan that covers the person as a dependent is Primary.

Child Covered Under More Than One Plan – Court Decree: When This Plan and another Plan cover the same Child as the Dependent of two or more Parents, and the specific terms of a court decree state that one of the Parents must provide health coverage or pay for the Child's health care expenses, that Parent's Plan is Primary, if the Plan has actual knowledge of those terms. This rule applies to Claim Determination Periods that start after the Plan is given notice of the court decree.

Child Covered Under More Than One Plan – The Birthday Rule: When This Plan and another Plan cover the same Child as the Dependent of two or more Parents, the Primary Plan is the Plan of the Parent whose birthday falls earlier in the Year if:

- the Parents are married; or
- the Parents are not separated (whether or not they have ever married); or
- a court decree awards joint custody without specifying which Parent must provide health coverage.

If both Parents have the same birthday, the Plan that covered either of the Parents longer is the Primary Plan.

However, if the other Plan does not have this rule, but instead has a rule based on the gender of the parent, and if, as a result, the Plans do not agree on the order of benefits, the rule in the other Plan will determine the order of benefits.

Child Covered Under More than One Plan – Custodial Parent: When This Plan and another Plan cover the same Child as the Dependent of two or more Parents, if the Parents are not married, or are separated (whether or not they ever married), or are divorced, the Primary Plan is:

- the Plan of the Custodial Parent; then
- the Plan of the Spouse of the Custodial Parent; then
- the Plan of the non-custodial Parent; and then
- the Plan of the Spouse of the non-custodial Parent.

Active or Inactive Employee: A Plan that covers a person as an employee who is neither laid off nor retired is Primary to a Plan that covers the person as a laid-off or retired employee (or as that person's Dependent). If the other Plan does not have this rule and, if as a result, the Plans do not agree on the order of benefits, this rule is ignored.

DENTAL INSURANCE: COORDINATION OF BENEFITS (continued)

Continuation Coverage: The Plan that covers a person as an active employee, member or subscriber (or as that employee's Dependent) is Primary to a Plan that covers that person under a right of continuation pursuant to federal law (e.g., COBRA) or state law. If the Plan that covers the person has not adopted this rule, and if, as a result, the Plans do not agree on the order of benefits, this rule shall not apply.

Longer/Shorter Time Covered: If none of the above rules determine which Plan is Primary, the Plan that has covered the person for the longer time shall be Primary to a Plan that has covered the person for a shorter time.

No Rules Apply: If none of the above rules determine which Plan is Primary, the Allowable Expenses shall be shared equally between all the Plans. In no event will This Plan pay more than it would if it were Primary.

EFFECT ON BENEFITS OF THIS PLAN

If This Plan is Secondary, when the total Allowable Expenses incurred by a covered person in any Claim Determination Period are less than the sum of:

- the benefits that would be payable under This Plan without applying this Coordination of Benefits provision; and
- the benefits that would be payable under all other Plans without applying Coordination of Benefits or similar provisions;

then We will reduce the benefits that would otherwise be payable under This Plan. The sum of these reduced benefits, plus all benefits payable for such Allowable Expenses under all other Plans, will not exceed the total of the Allowable Expenses. Benefits payable under all other Plans include all benefits that would be payable if the proper claims had been made on time.

RIGHT TO RECEIVE AND RELEASE NEEDED INFORMATION

We need certain information to apply the Coordination of Benefits rules. We have the right to decide which facts We need. We may get facts from or give them to any other organization or person. We do not need to tell, or get the consent of, any person or organization to do this. To obtain all benefits available, a covered person who incurs Allowable Expenses should file a claim under each Plan which covers the person. Each person claiming benefits under This Plan must give Us any facts We need to pay the claim.

FACILITY OF PAYMENT

A payment made under another Plan may include an amount which should have been paid under This Plan. If it does, We may pay that amount to the organization which made that payment. That amount will then be treated as though it were a benefit paid under This Plan. We will not have to pay that amount again. The term "payment made" includes benefits provided in the form of services, in which case We may pay the reasonable cash value of the benefits provided in the form of services.

RIGHT OF RECOVERY

If the amount We pay is more than We should have paid under this Coordination of Benefits provision, We may recover the excess from one or more of:

- the person We have paid or for whom We have paid;
- insurance companies; or
- other organizations.

The amount of the payment includes the reasonable cash value of any benefits provided in the form of services.

FILING A CLAIM

The Policyholder should have a supply of claim forms. Obtain a claim form from the Policyholder and fill it out carefully. Return the completed claim form with the required Proof to the Policyholder. The Policyholder will certify Your insurance under the Group Policy and send the certified claim form and Proof to Us.

For Dental Insurance, all claim forms needed to file for benefits under the group insurance program can be obtained by calling MetLife at 1-800-438-6388. Dental claim forms can also be downloaded from www.metlife.com/dental. The instructions on the claim form should be followed carefully. This will expedite the processing of the claim.

When We receive the claim form and Proof, We will review the claim and, if We approve it, We will pay benefits subject to the terms and provisions of this certificate and the Group Policy.

CLAIMS FOR DENTAL INSURANCE BENEFITS

When a claimant files a claim for Dental Insurance benefits described in this certificate, both the notice of claim and the required Proof should be sent to Us within 90 days of the date of a loss.

Claim and Proof may also be given to Us by following the steps set forth below:

Step 1

A claimant can provide notice of claim and request a claim form by calling Us at 1-800-438-6388.

Step 2

We will send a claim form to the claimant within 15 days of the notice and request. The instructions on the claim form should be followed carefully. This will expedite the processing of the claim. If we do not provide payment within 45 days of Our receipt of the notice of claim, We will notify You in Writing specifying the reasons for the non-payment or whatever documentation is necessary for payment of the claim. If We do not comply with this provision, We shall pay, in addition to any benefits payable, interest on such benefits which will accrue beginning 45 days after our receipt of the notice of claim at the rate of one and one half percent a month, not to exceed 18 percent per year. The provisions of this paragraph will not apply to a claim that We are investigating because of suspected fraud.

Step 3

When the claimant receives the claim form, the claimant should fill it out as instructed and return it with the required Proof described in the claim form.

Step 4

The claimant must give Us Proof not later than 90 days after the date of the loss.

If notice of claim or Proof is not given within the time limits described in this section, the delay will not cause a claim to be denied or reduced if such notice and Proof are given as soon as is reasonably possible.

Time Limit on Legal Actions. A legal action on a claim may only be brought against Us during a certain period. This period begins 60 days after the date Proof is filed and ends 3 years after the date such Proof is required.

DENTAL INSURANCE: PROCEDURES FOR DENTAL CLAIMS

Procedures for Presenting Claims for Dental Insurance Benefits

All claim forms needed to file for Dental Insurance benefits under the group insurance program can be obtained from the Employer who can also answer questions about the insurance benefits and to assist You or, if applicable, Your beneficiary in filing claims. Dental claim forms can also be downloaded from www.metlife.com/dental. The instructions on the claim form should be followed carefully. This will expedite the processing of the claim. Be sure all questions are answered fully.

Routine Questions on Dental Insurance Claims

If there is any question about a claim payment, an explanation may be requested from MetLife by dialing 1-800-438-6388.

Claim Submission

For claims for Dental Insurance benefits, the claimant must complete the appropriate claim form and submit the required Proof as described in the FILING A CLAIM section of the certificate.

Claim forms must be submitted in accordance with the instructions on the claim form.

Initial Determination

After You submit a claim for Dental Insurance benefits to MetLife, MetLife will review Your claim and notify You of its decision to approve or deny Your claim.

Such notification will be provided to You within a 30 day period from the date You submitted Your claim; except for situations requiring an extension of time of up to 15 days because of matters beyond the control of MetLife. If MetLife needs such an extension, MetLife will notify You prior to the expiration of the initial 30 day period, state the reason why the extension is needed, and state when it will make its determination. If an extension is needed because You did not provide sufficient information or filed an incomplete claim, the time from the date of MetLife's notice requesting further information and an extension until MetLife receives the requested information does not count toward the time period MetLife is allowed to notify You as to its claim decision. You will have 45 days to provide the requested information from the date You receive the notice requesting further information from MetLife.

If MetLife denies the claim in whole or in part, the notification of the claims decision will state the reason why the claim was denied and reference the specific Plan provision(s) on which the denial is based. If the claim is denied because MetLife did not receive sufficient information, the claims decision will describe the additional information needed and explain why such information is needed. Further, if an internal rule, protocol, guideline or other criterion was relied upon in making the denial, the claims decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that You may request a copy free of charge.

Appealing the Initial Determination

If MetLife denies Your claim, You may take two appeals of the initial determination. Upon Your written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim. You must submit Your appeal to MetLife at the address indicated on the claim form within 180 days of receiving MetLife's decision. Appeals must be in writing and must include at least the following information:

- Name of Student
- Name of the Plan
- Reference to the initial decision
- Whether the appeal is the first or second appeal of the initial determination
- An explanation why You are appealing the initial determination.

DENTAL INSURANCE: PROCEDURES FOR DENTAL CLAIMS (continued)

As part of each appeal, You may submit any written comments, documents, records, or other information relating to Your claim.

After MetLife receives Your written request appealing the initial determination or determination on the first appeal, MetLife will conduct a full and fair review of Your claim. Deference will not be given to initial denials, and MetLife's review will look at the claim anew. The review on appeal will take into account all comments, documents, records, and other information that You submit relating to Your claim without regard to whether such information was submitted or considered in the initial determination. The person who will review Your appeal will not be the same person as the person who made the initial decision to deny Your claim. In addition, the person who is reviewing the appeal will not be a subordinate of the person who made the initial decision to deny Your claim. If the initial denial is based in whole or in part on a medical judgment, MetLife will consult with a health care professional with appropriate training and experience in the field of dentistry involved in the judgment. This health care professional will not have consulted on the initial determination, and will not be a subordinate of any person who was consulted on the initial determination.

MetLife will notify You in writing of its final decision within 30 days after MetLife's receipt of Your written request for review, except that under special circumstances MetLife may have up to an additional 30 days to provide written notification of the final decision. If such an extension is required, MetLife will notify You prior to the expiration of the initial 30 day period, state the reason(s) why such an extension is needed, and state when it will make its determination.

If MetLife denies the claim on appeal, MetLife will send You a final written decision that states the reason(s) why the claim You appealed is being denied and references any specific Plan provision(s) on which the denial is based. If an internal rule, protocol, guideline or other criterion was relied upon in denying the claim on appeal, the final written decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that You may request a copy free of charge. Upon written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim.

If such overpayment occurs, You have an obligation to reimburse Us.

- Ask for a medical exam
- Ask for blood and urine tests
- Ask health care providers to give us health data, including information about alcohol or drug abuse

- Reputation
- Driving record
- Finances
- Work and work history
- Hobbies and dangerous activities

The information may be kept by the consumer reporting agency and later given to others as permitted by law. NOTICE DETAILS

We **protect** your PHI from inappropriate use or disclosure. Our employees, and those of companies that help us service your MetLife Coverage, are required to comply with our requirements that protect the confidentiality of PHI. They may look at your PHI only when there is an appropriate reason to do so, such as to administer our products or services.

Except in the case of Long-Term Care Coverage, we will **not use or disclose** PHI that is genetic information for underwriting purposes. For example, we will not use information from a genetic test (such as DNA or RNA analysis) of an individual or an individual's family members to determine eligibility, premiums or contribution amounts under your Coverage.

We will **not sell or disclose** your PHI to any other company for their use in marketing their products to you. However, as described below, we will use and disclose PHI about you for business purposes relating to your Coverage.

The main reasons we may **use** and **disclose** your PHI are to evaluate and process any requests for coverage and claims for benefits you may make or in connection with other health-related benefits or services that may

be of interest to you. The following describe these and other uses and disclosures.

- **For Payment:** We may use and disclose PHI to pay benefits under your Coverage. For example, we may review PHI contained in claims to reimburse providers for services rendered. We may also disclose PHI to other insurance carriers to coordinate benefits with respect to a particular claim. Additionally, we may disclose PHI to a health plan or an administrator of an employee welfare benefit plan for various payment-related functions, such as eligibility determination, audit and review, or to assist you with your inquiries or disputes.

- **For Health Care Operations:** We may also use and disclose PHI for our insurance operations. These purposes include evaluating a request for our products or services, administering those products or services, and processing transactions requested by you.

- **To Affiliates and Business Associates:** We may disclose PHI to Affiliates and to business associates outside of the MetLife family of companies if they need to receive PHI to provide a service to us and will agree to abide by specific HIPAA rules relating to the protection of PHI. Examples of business associates are: billing companies, data processing companies, companies that provide general administrative services, health information organizations, e-prescribing gateways, or personal health record vendors that provide services to covered entities. PHI may be disclosed to reinsurers for underwriting, audit or claim review reasons. PHI may also be disclosed as part of a potential merger or acquisition involving our business in order that the parties to the transaction may make an informed business decision.

- **To Plan Sponsors:** We may disclose summary health information such as claims history or claims expenses to a plan sponsor to enable it to obtain premium bids from health plans, or to modify, amend or terminate a group health plan. We may also disclose PHI to a plan sponsor to help administer its plan if the plan sponsor agrees to restrict its use and disclosure of PHI in accordance with federal law.

- **To Individuals Involved in Your Care:** We may disclose your PHI to a family member or other individual who is involved in your health care or payment of your health care. For example, we may disclose PHI to a covered family member whom you have authorized to contact us regarding payment of a claim.

- **Where Required by Law or for Public Health Activities:** We disclose PHI when required by federal, state or local law. Examples of such mandatory disclosures include notifying state or local health authorities regarding particular

communicable diseases, or providing PHI to a governmental agency or regulator with health care oversight responsibilities.

- **To Avert a Serious Threat to Health or Safety:** We may disclose PHI to avert a serious threat to someone's health or safety. We may also disclose PHI to federal, state or local agencies engaged in disaster relief, as well as to private disaster relief or disaster assistance agencies to allow such entities to carry out their responsibilities in specific disaster situations.

- **For Health-Related Benefits or Services:** We may use your PHI to provide you with information about benefits available to you under your current coverage or policy and, in limited situations, about health-related products or services that may be of interest to you. However, we will not send marketing communications to you in exchange for financial remuneration from a third party without your authorization.

- **For Law Enforcement or Specific Government Functions:** We may disclose PHI in response to a request by a law enforcement official made through a court order, subpoena, warrant, summons or similar process. We may disclose PHI about you to federal officials for intelligence, counterintelligence, and other national security activities authorized by law.

- **When Requested as Part of a Regulatory or Legal Proceeding:** If you or your estate are involved in a lawsuit or a dispute, we may disclose PHI about you in response to a court or administrative order. We may also disclose PHI about you in response to a subpoena, discovery request, or other lawful process, but only if efforts have been made to tell you about the request or to obtain an order protecting the PHI requested. We may disclose PHI to any governmental agency or regulator with whom you have filed a complaint or as part of a regulatory agency examination.

- **PHI about Deceased Individuals:** We may release PHI to a coroner or medical examiner to assist in identifying a deceased individual or to determine the cause of death. In addition, we may disclose a deceased's person's PHI to a family member or individual involved in the care or payment for care of the deceased person unless doing so is inconsistent with any prior expressed preference of the deceased person which is known to us.

- **Other Uses of PHI:** Other uses and disclosures of PHI not covered by this notice and permitted by the laws that apply to us will be made only with your written authorization or that of your legal representative. If we are authorized to use or disclose PHI about you, you or your legally authorized representative may revoke that authorization in writing at any time, except to the extent that we have taken action relying on the authorization or if the authorization was obtained as a condition of obtaining your Coverage. You should understand that we will not be able to take back any disclosures we have already made with authorization.

- **Your Records and 42 CFR Part 2:** If you receive

services for a substance use disorder, those records are protected by federal law. We will not disclose your SUD records to anyone, including for treatment, payment, or healthcare operations, unless:

- You sign a written consent form that complies with 42 CFR §2.31;
- A court orders the disclosure;
- It is for a medical emergency; or
- It is for research or audit purposes as permitted by law.

- **Special Restrictions on Legal Proceedings:** Under Part 2 Final Rule, your SUD records cannot be used or disclosed in any civil, criminal, administrative, or legislative proceeding against you, even with a subpoena, unless authorized by a specific court order or your written consent.

- **SUD Records Uses and Disclosures We May Make Without Consent:**

- **Payment:** We may use or disclose your records to pay claims for treatment services you have authorized, or for auditing purposes.
- **Medical Emergency:** We may disclose records to medical personnel for the immediate treatment of an emergency.
- **Audits/Evaluations:** We may disclose records to government agencies for mandatory audits or evaluations.

The following are your various rights as a consumer under HIPAA concerning your PHI, and, when applicable, 42 CFR Part 2 concerning your SUD records. Should you have questions about or wish to exercise a specific right, please contact us in writing at the applicable Contact Address listed on the last page.

- **Right to Inspect and Copy Your Information:** In most cases, you have the right to inspect and obtain a copy of the information that we maintain about you. If we maintain the requested information electronically, you may ask us to provide you with the information in electronic format, if readily producible; or, if not, in a readable electronic form and format agreed to by you and us. To receive a copy of your information, you may be charged a fee for the costs of copying, mailing, electronic media, or other supplies associated with your request. You may also direct us to send the information you have requested to another person designated by you, so long as your request is in writing and clearly identifies the designated individual. However, certain types of information will not be made available for inspection and copying. This includes psychotherapy notes or information collected by us in connection with, or in reasonable anticipation of, any claim or legal proceeding. In very limited

circumstances, we may deny your request to inspect and obtain a copy of your information. If we do, you may request that the denial be reviewed. The review will be conducted by an individual chosen by us who was not involved in the original decision to deny your request. We will comply with the outcome of that review.

- **Right to Amend Your Information:** If you believe that your information is incorrect or that an important part of it is missing, you have the right to ask us to amend your information while it is kept by or for us. You must specify the reason for your request. We may deny your request if it is not in writing or does not include a reason that supports the request. In addition, we may deny your request if you ask us to amend information that:

- is accurate and complete;
- was not created by us, unless the person or entity that created the information is no longer available to make the amendment;
- is not part of the information kept by or for us; or
- is not part of the information which you would be permitted to inspect and copy.

- **Right to a List of Disclosures:** You have the right to request a list of the disclosures we have made of your information. This list will not include disclosures made for treatment, payment, health care operations, purposes of national security, to law enforcement, to corrections personnel, pursuant to your authorization, or directly to you. To request this list, you must submit your request in writing. Your request must state the time period for which you want to receive a list of disclosures. You may only request an accounting of disclosures for a period of time less than six years prior to the date of your request. Your request should indicate in what form you want the list (for example, paper or electronic). The first list you request within a 12-month period will be free. We may charge you for responding to any additional requests. We will notify you of the cost involved, and you may choose to withdraw or modify your request at that time before you incur any cost.

- **Right to Request Restrictions:** You have the right to request a restriction or limitation on information we use or disclose about you for treatment, payment, or health care operations, or that we disclose to someone who may be involved in your care or payment for your care, like a family member or friend. While we will consider your request, **we are not required to agree to it.** If we do agree to it, we will comply with your request. To request a restriction, you must make your request in writing. In your request, you must tell us (1) what information you want to limit; (2) whether you want to limit our use, disclosure or both; and (3) to whom you want the limits to apply (for example, disclosures to your spouse or parent). We will not agree to restrictions on information uses or disclosures that are legally required, or which are necessary to administer our business.

Right to Request Confidential Communications: You have the right to request that we communicate with you

about information in a certain way or at a certain location if you tell us that communication in another manner may endanger you. For example, you can ask that we only contact you at work or by mail. Uniformed Services Employment And Reemployment Rights Act

This section describes the right that you may have to continue coverage for yourself and your covered dependents under the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA).

Continuation of Group Dental Insurance:

If you take a leave from employment for “service in the uniformed services,” as that term is defined in USERRA, and as a consequence your dental insurance coverage under your employer’s group dental insurance policy ends, you may elect to continue dental insurance for yourself and your covered dependents, for a limited period of time, as described below.

The law requires that your employer notify you of your rights, benefits and obligations under USERRA including instructions on how to elect to continue insurance, the amount and procedure for payment of premium. If permitted by USERRA, your employer may require that you elect to continue coverage within a period of time specified by your employer.

You may be responsible for payment of the required premium to continue insurance. If your leave from employment for service in the uniformed services lasts less than 31 days, your required premium will be no more than the amount you were required to pay for dental insurance before the leave began; for a leave lasting 31 or more days, you may be required to pay up to 102% of the total dental insurance premium, including any amount that your employer was paying before the leave began.

Your and your covered dependents’ insurance that is continued pursuant to USERRA will end on the earliest of the following:

- the end of 24 consecutive months from the date your leave from employment for service in the uniformed services begins; or
- the day after the date on which you fail to apply for, or return to employment, in accordance with USERRA.

You and your covered dependent may become entitled to continuation of coverage under the Consolidated Omnibus Budget Reconciliation Act (“COBRA”) while you have dental insurance coverage under your employer’s group dental insurance policy pursuant to USERRA. Contact your employer for more information.
